Banquet Information

Thank you for expressing interest in having your event at Harrison's Restaurant! Please know that during these trying times we are committed to providing a safe environment for our patrons. We have taken several precautionary steps beyond our customary practices to ensure the safety and well-being of our staff and guests. This includes providing information and reinforcing best practices around proper hygiene and illness prevention with all staff. Hand sanitizer is readily available at high-touch points throughout the restaurant, and we have increased the frequency of cleaning and disinfection in all areas. In addition, we have installed an APCO-X Air Purification system to reduce biological contaminants and improve our indoor air quality.
